

OFF GRID

EV CHARGING

CHANGE HAS
ALREADY BEGUN

A RELIABLE & RAPID
EV CHARGING SOLUTION

WITHOUT THE NEED FOR GRID CONNECTION

WE'RE A NEW COMPANY REVOLUTIONISING THE ENERGY SECTOR, FOCUSING ON EV SOLUTIONS

WE HAVE A **UNIQUE OFF GRID SOLUTION** MIXING
BOTH BATTERY, ENERGY CELLS GENERATORS AND PV

REDUCE OR ELIMINATE YOUR EV EXPENSES

Focusing on EV we're able to work on large projects and companies that want to reduce or eliminate their EV expenses by creating exciting micro-grid set ups per customers requirement.

ENERGY INDEPENDENCE AND SUSTAINABILITY

One of the key advantages of off-grid systems for EV's is their ability to promote energy independence and sustainability, by utilising renewable energy sources.

WHO WE'RE SPEAKING TO

EV-OG WILL TURN ANY LOCATION OR CLIENTS DESTINATION INTO AN EV DESTINATION BY PRODUCING A RAPID CHARGING SYSTEM TO VIRTUALLY ANYWHERE WITH NO COST TO THE CLIENT, AND OFFER CONSISTENT FAST CHARGE TO CLIENTS, IMPROVING YOUR OFFERING TO YOUR OWN CLIENTELE.

DESTINATION VENUES & DISTRIBUTION

We are working with food to go and destination venues, alongside factories and warehouse distribution centres.

SUPPLIERS & MANUFACTURERS

We are working exclusively with NIDEC industrial supplies offering the exclusive outlet for the rapid off grid solution, bolstered by PV this system is completely unique and can be deployed by vgo within 4 weeks.

CONSTRUCTION & LOGISTICS

We are looking to partner with the construction industry, delivery and logistic companies offering instant EV capabilities for vans, cars and other vehicles. There is no cost to this and it can be complimented by PV solar.

HOTELS, LEISURE & RETAIL

We will work alongside hotels , leisure venues and retail that want to offer EV and are off grid or landlocked.

EV-OG CAN BE THE COMPLETE CHARGE AND GO SYSTEM FOR YOUR SITE OR BUSINESS

WE CAN BE CUSTOMER FACING OFFERING YOU FREE CHARGE POINT OPERATORS ON SITE, DRIVING MORE CUSTOMERS TO YOUR BUSINESS OR VENUE,

WE CAN OFFER SOLUTIONS TO LOGISTICS COMPANIES SUCH AS DELIVERY OR CAR MANUFACTURER ON A FIXED REVENUE MODEL .

PAY AS YOU GO OPTION

We can offer charger systems for clients on their site for free, bringing clients and increasing dwell time for EV drivers on your brands location.

We are looking to expand into car parks, parking locations, venues and destinations whether it be branded or independent stores and locations.

FIXED REVENUE

We can offer our systems with corporates in mind, with a fixed pricing and utilisation point for EV lead businesses.
